Topic	Discussion	Action
Welcome & Introductions	Ann Spottswood welcomed the committee and thanked everyone for their participation and contribution to the community. The committee members introduced themselves and Ann introduced Noel Purdy as the new Project Manager for Healthy Franklin County. Noel briefly discussed her background and her role with Healthy Franklin County	
Approval of Minutes	Ann asked for approval of the January 23, 2017 minutes. Shelly Schwartz motioned for approval, seconded by Karen Johnston. All were in approval.	Minutes approved
Healthy Franklin County	Noel discussed the Member Involvement Agreement and asked committee members to complete the form if they have not already done so. Noel will also be working on updates and enhancements to the Healthy Franklin County website.	Members to complete agreement
2017 County Health Rankings	Ann reviewed the 2017 County Health Rankings data for Pennsylvania. Franklin County improved to #13 in health outcomes and #16 in health factors. Improvements were noted in health behaviors, adult smoking, alcohol-related deaths, teen births, uninsured. There was a slight decline in obesity, excessive drinking, and STDs. Franklin County is behind the state average in high school and college graduations. Violent crime has worsened, as well as injury death. Joanne Cochran discussed issues with self-reporting compared to actual data. The health rankings information will be shared with task forces and workgroups to help develop areas of focus in the future.	
Task Force Reports	Nutrition: Karen Johnston reported for the Nutrition Task Force and the Garden and Food Insecurity workgroups. The Garden workgroup has completed a community garden interest survey, a community garden inventory and map, and is evaluating the feasibility of creating a new community garden at Mike Waters Park. Their next meeting will be held on June 14. The Food Insecurity workgroup is working on identifying food gaps and needs in the county, and creating a list of emergency food providers. Their next meeting will be held on June 14. The Nutrition Task Force is currently supporting Double Dollars, POP, nutrition block parties, United Way food drive, and will be working on initiatives with Head Start. Karen Johnston and Nickie Fickel have also joined the CASD Health & Wellness Committee. Planning for the Year 2 Action Plan is ongoing. The task force will continue efforts from Year One and is working on adding more information regarding emergency food and resource guides for Year 2.	
	Mental Health: Shelly Schwartz reported for the Mental Health Task Force as Kenny Wuertenberg and Lori Young were not able to attend. Shelly reported at the last Suicide Prevention meeting discussion was held regarding how to define the goal of zero suicides – whether it means zero for those already under care or zero for the entire population. Noel Purdy reported that the 3.2.1. workgroup is working on the Franklin County Data Warehouse project to better collect and analyze human services data from County-led human services. The project is currently in the RFP process for a company to design and host the warehouse. Shalom Black reported on a Franklin County grant which allows a co-responder who is a trained social worker to work alongside police officers. To date there have been 14 visits in 3 weeks.
