Great discussion.	<p>Introduce this project to the Adult Leadership County Group for the new school year.</p> <p>If the Adult Leadership Group does not take it then it was proposed by Cheri Kearney that we accept the concept of The Business Competition and move with or without the support of the Adult Leadership Franklin Co.</p> <p>We took a vote and it was approved.</p>
<p>New Business</p> <p>Sharon Hagenberger Director of Adult Ed Programs for the IU</p>	Sharon will be sharing how she would like to partner with us at our next meeting.
