<p>Old Business</p> <p>Business Plan Competition Follow – Up</p> <p>Open House Partnership with Franklin County Career Tech</p> <p>Employability Email Blast</p>	<p>The Franklin County Adult Leadership Committee turned down our proposal of the competition. Therefore, the Employability Group will be moving in planning the contest.</p> <p>It appears to be difficult to make it work this time with the 9th grade open house. The 9th grade open house has a tight schedule.</p> <p>Angie reported that not everyone responded to the email blast. The email blast was to determine if we were giving our other colleagues, who are involved in this group but not attending the meetings an opportunity to express how and if we are meeting their company’s needs. Some folks on our list have never attended a meeting and some just one time. Our group also discussed other means of getting information out to everyone, making sure that everyone will see it. There were various discussions on what might work.</p>	<p>A planning meeting is scheduled for Tuesday, September 13th from 3:00 – 4:30 PM, at the Chambersburg Chamber office.</p> <p>All of us will need to help find sponsors for this event.</p> <p>The Group decided not to participate with the 9th Grade Open House and will continue to support the 8th Grade Open House.</p> <p>Angie shared feedback she received from some. The group decided to continue to send our emails to all folks on our list unless advised to be removed.</p> <p>Robin Harmon volunteered to set up a group account for us in Linked In. “ Education Coalition of Franklin Co. Employability Group” All can ask to be invited to the page.</p>
