Topic	Discussion	Action
Introductions	Each person introduced themselves to the group.	
Moving Forward/Next Steps	<p>The group reviewed the proposed goals, objectives, and strategies that will be proposed at the next HFC meeting on July 18th. The group restructured and moved some strategies around, added children into goal #1, added an objective geared toward education/awareness, and a goal to design an evaluation that we will all utilize in our programs that are related to nutrition.</p> <p>At the last meeting, the group created 4 workgroups (policy, gardens, education/awareness, and food insecurity). It was decided that the workgroups and the Task Force would alternate meeting months.</p> <p>The garden workgroup (meet at 1:30) and the education/awareness workgroup (meet at 2:30) will take the place of the August 10 big meeting. Nickie will ask Carla to send an email to the group explaining the changes and ask for members to sign up for the workgroups.</p> <p>The food insecurity and policy workgroups will need to be scheduled.</p>	Nickie to inform members of the workgroup meeting schedules for 8/10.
Nutrition Task Force Initiatives	Will discuss status in workgroup meetings next month.	
Other updates	Group ran out of time for updates.
